Come, join the future
The world of work is changing rapidly.
So is the world of business, technology and jobs. Education must take bold strides to walk towards a new landscape.
At JKLU, we are excited about shaping this horizon and are committed to creating professionals of the future.
“We offer our students an education that is contemporary, relevant and combines the best of academic pedagogy along with application-led practical experience.”
We as an Industrial Conglomerate are strongly committed to education and meritocracy in the country for more than 100 years.

Higher education is the foundation of a productive career and fulfilling life. Its purpose is to help students discover their strengths, build skills that enable them to achieve their goals, and foster relationships with peers and faculty that will continue to support them over the years.

At JK Lakshmipat University, we are passionate about building a high-quality institution that enables students to embark on a journey of transformation. Our rigorous pedagogy, committed faculty body and stellar academic advisory board ensure that our curriculum, teaching methods and learning outcomes are consistently being benchmarked against leading institutions.

Even as we are proud of our early achievements, we have ambitious plans for growth.

Much as we are excited about our student’s growth, we as an institution as well, have an unyielding zeal for continuous improvement and progress.

It is a pledge we make to our students. Join us to live your change.

SHRI BHARAT HARI SINGHANIA  
CHANCELLOR JKLU  
PRESIDENT, JK ORGANISATION
“JKLU is well prepared to create a new cadre of professionals from, and for, India, who will go on to create, manage and transform businesses and organisations.”
India’s economic growth is scripting an exciting narrative. At the centre of this story are the country’s youth, and the potential they have to accelerate the pace of economic gains and social progress. To be a force for change though, their aspirations need to be carefully nurtured.

JKLU provides a vibrant learning environment for ambitious and driven students who are ready to embark on careers that will shape our future. Here, we offer them a committed faculty and an institutional pledge to deliver a future-ready education that prepares them for the challenges and disruptions of the modern workplace. Our renewed effort to offer a contemporary and global education has been reaffirmed by strong and new partnerships, as well as a fresh blueprint for our curriculum and pedagogy.

We welcome our students to experience and benefit from this dynamism.

**DR. R L RAINA**  
VICE CHANCELLOR, JKLU
We are reimagining education.
Embedding it with entrepreneurial and dynamic thinking. Seeding it with curiosity and technology. Introducing new ways of learning, as well as critical new skills to learn.

Join us as we build the country’s most innovative higher education institution.
Learning @ JKLU

A carefully designed holistic approach built around innovative themes and learning-by-doing, that provides depth in core domain along with breadth of perspective to develop students into successful professionals.
A progressive 21st century education

Learn how to learn.
Learn how to read, write and think. Learn to communicate and introspect.

Be life ready, not just job ready.
EXPERIENTIAL & STUDENT-CENTRIC LEARNING

Learn by doing, by experimenting, by applying classroom concepts to real-world challenges.

At the core of student-centric programmes at JKLU is the PROJECT BASED LEARNING methodology designed with the support of Olin College of Engineering, Boston, US. Olin is ranked among the top 3 undergraduate engineering programmes in the US in 2019.
Collapse boundaries.

Learn from the best professors and a world-class curriculum, assisted by high-quality facilitators, practitioners and teaching assistants on campus.

Explore a larger and more exciting universe of courses and pedagogy.
Gain and build insights about the world around you.

Develop perspective and awareness with modules, discussions and seminars on economics, politics, history, social science and development.

Delve into how politics, business and society are interlinked. Or, how philosophy influences technology.

Really see your world.
AUTONOMY & FLEXIBILITY

Enjoy the freedom, and the responsibility, to change your mind, to follow your curiosity or pursue a new interest. Take charge of your learning. Choose seamlessly from courses, concentrations and specialisations.
ACADEMIC INFRASTRUCTURE

From the iconic library building that is a source of pride for everybody at JKLU, the campus has well-appointed amphitheater-style seminar rooms and classrooms outfitted with audio-visual equipment, video conferencing facilities and internet services. The academic infrastructure recognises that students today learn through a variety of media, and is well-prepared to foster these interactions.

CAMPUS & ACCOMMODATION

Located along the six-lane Jaipur-Ajmer expressway, the 30-acre campus is a modern, environmentally conscious and inviting space designed to help students live, work and play in a setting that is safe, productive and student-centric. The campus offers separate living facilities for male and female students. The residential Management Development Centre is equipped to host industry practitioners, visiting faculty and other guests.
INDUSTRY INTERACTIONS

Benefit from a close and sustained dialogue with industry. Leverage the advantages of mentorship, counselling and work opportunities.

Some of our student mentors and visiting faculty from industry:

Debraj Tripathy  
Former Managing Director, MediaCom South Asia

Jishnu Changkoti  
Stanford Seed Consultant, Ex VP, Sales & Marketing, Zydus

Rajiv Kapuria  
Global Business Leader & Board member Advisor, Deloitte USA

Raghava Rao  
Vice President & CFO Amazon India

Ravi Chandran  
Co-Founder, Ellora Health Technologies  
IIT Bombay, IIM Calcutta

Sanjay Srivastava  
Business Head, Mahindra World City  
IIM Calcutta, Harvard Business School

Vijay Deshpande  
VP & Head of Human Resources, JK Tyre & Industries

Vikram Rao  
Former Asst. Director, Colgate Palmolive  
MBA, IIM Calcutta

Vishal Malik  
Director - Operations, McKinsey & Company
INDUSTRY COLLABORATIONS

Kasturirangan, Padma Vibhushan; and Mrityunjay Athreya, Padma Bhushan amongst many from different walks of life enrich our university community and give our students an opportunity to gain from & develop broad perspectives on issues that are important for the world.
AWARDS, HONOURS & ACHIEVEMENTS

Best Educational Institution
Employers’ Association of Rajasthan, 2019

The Economic Times Best Education Brands
The Economic Times, 2018

Ranked 10th (North India) in Region-Wise Ranking of Private Universities
Business World, 2018

Ranked 2nd among Top Private Engineering Colleges in Rajasthan
India Today, 2018

Best University of the Year in Academic Excellence & Industry Interface
National Education Excellence Award, 2017

Best University for Promoting Industry Specific Programme in India
BW Business World and the Educationpost, 2017

Best University of the Year for Academic Excellence
IPSA, 2016
“I really enjoyed being with the student group at JKLU, learning a lot from my peers and seniors. The group was always very supportive. When I had my placement interviews and then as I started to work, I realised what a solid grounding in key concepts I was able to develop in my department. It really helped me a lot.”

Ranita Sharma  CSE, Class of 2017
Appirio, a Wipro company

“My MBA with JKLU was one of the best experiences of my life. The all-time support & motivation of the faculty members within and outside the class has enlightened me throughout the programme. I believe that the experience and learning that I received will always guide me towards success- in both personal and professional matters.”

Ujjwal Aggarwal  MBA, Class of 2017
Adecco Group India

“JKLU gives a great opportunity for students to broaden their knowledge beyond their field of studies within an international multicultural environment. The friendly attitude of the professors and their willingness to always offer a helping hand has made me feel a part of the JKLU family. The 2 years spent here were splendid and has helped me to grow better professionally and personally.”

Ankush Bindal  MBA, Class of 2018
JK Lakshmi Cement
“JKLU has been a great platform for my holistic development as a student. Thank you JKLU for the right career guidance, I will always cherish the time spent here.”

Kumkum Gupta  CSE, Class of 2016
Yodlee

“For me, life in JK Lakshmipat University has been enriching. The environment not only helped me in imbibing knowledge but also in developing my overall personality, hence fuelling confidence in me. JK Lakshmipat University has achieved excellence in imparting high-quality education with a prime focus on overall development. The faculty and mentors at JKLU have played a crucial role in shaping my personality.”

Daivik Swarnkar  MBA, Class of 2018
JK Fenner

“I would describe my experience at JKLU as exciting and dynamic. The best thing about JKLU is their industry focused approach which has helped me grow to become a professional. It has given me an opportunity to be a part of academic environment, interdisciplinary initiatives and remarkable library facility which brings a learning environment to the students. Through many conferences, seminars, and business round table session, I had gained for myself an industry oriented perspective.”

Prakhar Prakash  Mech, Class of 2019
Final Year Student
Inspiring leadership

Get inspired by a team of accomplished academics who are committed to bring to students the best that the world can offer.
ACADEMIC LEADERSHIP

Dr. RL Raina
Vice Chancellor
& Director, Institute of Management

A Fulbrighter and SIS Fellow, Dr. Raina is a former Dean of IIM Lucknow and a Professor of Communication with nearly 4 decades of experience in academia and institution-building. A distinguished academician, his research contributions include 20 bestselling books, 75 research papers in national and international journals and 100+ papers at national/ international conferences and seminars.

Prof. A. Balasubramaniam
Dean, Institute of Design

Alumnus of NID Ahmedabad, Prof Bala has more than 30 years of experience of design industry and inter-disciplinary teaching. He is known for his work in both the industrial sector and the crafts sector having done projects with Crafts Council, DC Handicrafts and the UNDP. He has also been part of various institutions such as January Design; Oxfam; Great Britain, India; and Pride.

Dr. Sanjay Goel
Director, Institute of Engineering and Technology

An alumnus of IIT Delhi and BITS Pilani, Dr. Goel has over 32 years of inter-disciplinary work experience, including as faculty of Computer Science Engineering at NSIT Delhi, Head of CS&IT at JIIT, Director (Multimedia) at Indira Gandhi National Centre for the Arts (IGNCA) and National Informatics Centre, Delhi.

Dr. Jyoti Prakash
CR Naidu
Dean, Research and Development

A Canadian Commonwealth Fellow, a Defence Technology Spin-off Awardee and an IIT Alumnus, Prof Naidu has more than 30 years of experience in industrial and academic Research and Development. He brings in a vast experience of working with leading organisations in UK, USA, Canada and India.
The Faculty Body is a combination of full-time academics committed to helping students flourish in a high-quality academic campus environment, and a wide network of visiting experts and professionals from leading universities, centres and organisations from India and across the world.

Over 66% PhDs from leading institutions

Over 33% alumnus of IITs, IIMs & leading foreign institutions
To strengthen the academic environment at JKLU, we have an Academic Advisory Board of eminent academics who help ensure that the university’s programmes and curricula are contemporary and future-ready.

**ACADEMIC ADVISORY BOARD**

**DR. DHEERAJ SANGHI**  
Professor of Computer Science, IIT Kanpur  
Former Director of LNMIT, Jaipur  
Director, Punjab Engineering College, Chandigarh

**DR. PRABHU AGGARWAL**  
Vice Chancellor of OP Jindal University  
Former Professor of Management and Asst. Dean at William & Mary University, USA
DR. VIJAY KUMAR
Dean Penn Engineering and Professor at University of Pennsylvania, USA

DR. ROHIT VERMA
Dean External Relations and Professor at Cornell SC Johnson School of Business, Cornell University

PROF SUNAND BHATTACHARYA
Associate Vice Provost, Design and Innovation Strategies, Boston College, USA;
Former Adjunct Professor, Olin College, USA

DR. SARTAJ SAHNI
Distinguished Professor of Computer Science, University of Florida, USA; Member of the European Academy of Sciences; Fellow of IEEE, ACM, AAAS and Minnesota Supercomputer Institute
Bring industry into the classroom with Institute of Engineering and Technology, Institute of Management, Institute of Design, and Centres of Excellence.
Learn future-ready technologies

**ROBOTICS & AUTOMATION**
An extension of Robotics, Automation is termed as the next phase of the Industrial Revolution. It will create fresh avenues for businesses and individuals, and offers unprecedented opportunities to create and build intelligent systems that are smarter and more efficient.

**ARTIFICIAL INTELLIGENCE & MACHINE LEARNING**
Together with Machine Learning, an important subset, Artificial Intelligence is at the forefront of technology today. Several industries, from medicine, banking and retail, are likely to be disrupted and transformed by the future of computing.

**INTERNET OF THINGS**
The rapid advancement of the internet, and the new reality it has shaped by bringing together a wide range of contexts, people, processes, data and technology is an exciting frontier of change today. It touches every aspect of our lives, and understanding this new world leads to greater innovation, progress and business.

**DESIGN THINKING**
A human-centred approach to innovation, design thinking focuses on integrating the needs of society, technology and business. It encourages project-based pedagogy and effective frameworks for creative problem solving in all aspects of learning.
Options for multi-disciplinary majors, minors and concentrations in high-demand cutting edge areas

**COMPUTER SCIENCE & ENGINEERING**
Students can specialise in Big Data Analytics, Cloud Computing, Information Security, Mobile Computing and Enterprise IT and receive professional certifications from IBM, Cisco and other global organisations. Artificial Intelligence and Machine Learning are other areas of focus for the department. JKLU has its own private cloud established in association with IBM.

**MECHANICAL ENGINEERING**
The department boasts of the finest Automobile labs in the country with dynamic models and engine testing setups equipped with variable compression ratio testbeds. The Polymer testing lab, one of the best in India and the only one in Rajasthan, has been established in collaboration with industry. Robotics and Automation are other key areas of focus.

**ELECTRICAL AND ELECTRONICS ENGINEERING**
Students are offered a range of electives across Power Systems, Embedded Systems, Internet of Things (IoT) and Communication Engineering. The University has established facilities for smart grid testing and has collaborations with CEERI, Pilani and Texas Instruments.

**CIVIL ENGINEERING**
The department has advanced laboratories and facilities for practical learning and experimentation and is engaged in strategic research on satellite based remote sensing of resources with a research grant from ISRO. The focus areas includes Sustainability and Smart City Engineering.
Institute of Management

The Institute believes in bringing industry into the classroom with extensive participation of senior practitioners in teaching and mentoring students, a blend of case studies, studios and projects. Students take advantage of courses in technology, design, liberal arts and critical thinking to develop the skills and entrepreneurial mindset required to succeed in their chosen career.
JKLU’s Flagship MBA

India’s first multidisciplinary and experiential learning focused MBA designed to help students become creative problem solvers.

- Experiential projects and startup studio
- Individual mentorship by senior industry leaders
- Multidisciplinary learning with business, technology and liberal arts
- Expert faculty and senior practitioners
- Personal leadership development

Optional certification from Wharton School of the University of Pennsylvania, USA
Institute of Design

Sitting at the intersection of Technology, Business, Society, Culture and People, the curriculum at JKLU draws from how students learn at world’s leading design schools.
Innovative 4-year undergraduate programmes in areas with high demand for talent

**PRODUCT DESIGN**

The Product Design program at JKLU uniquely combines both strategic and tactical competencies, from idea generation to commercialization, used to create a product design. Students will learn and practice systematic approaches to conceptualize and evaluate ideas, turning them into tangible inventions and products. They will experience combining art, science, and technology to create new products that people can use. Access to advanced technology, business resources and knowledge is a unique differentiator of this program at JKLU.

**INTERACTION DESIGN**

In this program, students will deepen their understanding of the core design discipline with a focus on interaction of users with products, services, devices and with each other. These interactions often involve elements like aesthetics, motion, sound, space, and many more.

Computers, home appliances, mobile devices, apps, all have a focus on maximizing usability and the user experience. The goal of interaction design is to make the user’s interaction as simple and efficient as possible, in terms of accomplishing user goals. This is one of the most sought after skills in today’s technology driven businesses around the world.

**INTERDISCIPLINARY DESIGN**

The Interdisciplinary design program is a unique opportunity for students who want to understand the breadth of design and explore it’s various facets. It gives students a lot of flexibility to choose their courses and they can later opt to go deeper in areas that interest them or be highly valuable generalists who can work across a range of problems and situations.
Centres of Excellence

Creating opportunities for students to develop cutting edge capabilities and expand horizons

Atal Incubation Centre- JKLU

JKLU was part of 72 institutions selected out of 2,700 applicants along with institutions like IIT Delhi, JNU Delhi, IIFT & IISER Pune. The Atal Incubation Centre established with support of NITI Aayog, is driven to ensure that smart student-led business ideas and promising ventures get the support and patronage they deserve and need.
Centre for Communication & Critical Thinking

The Centre for Communication & Critical Thinking is one of the many innovations in education at JKLU. It uses the constructs of liberal arts, scientific temper, written expression and interpersonal communication to inculcate and develop the ability for critical thought.

The Centre works with students alongside their programme through credit courses, workshops, one-on-one sessions and consultations tailored to specific needs.

Centre for Operations Excellence

The Centre for Operations Excellence is a multi-disciplinary centre with capabilities in supply chain, manufacturing and service operations.

The Centre works closely with industry in solving real problems, pursuing opportunities for the faculty and students to engage in consulting and help bring practical knowledge and experience to classrooms and research.

Centre for Data Sciences

The Centre for Data Sciences reflects JKLU’s focus on emerging areas that are impacting business and work across sectors. The centre has competencies in developing Analytics Solutions and data sciences approaches in areas such as fraud analytics, sensor analytics, business intelligence, marketing analytics, predictive analytics, data visualization, IoT streaming analysis etc.
Life @ JKLU
The Student Activity Centre is the hub of student life on campus. The building has a fully-equipped gym, as well as facilities and space for a variety of student-led clubs such as music, theatre, dance, sports, robotics, photography, coding, and media. The activity centre gives students an opportunity to lead and create a space for their interests and passions to flourish.

We, at JKLU, care about the mental health and wellbeing of our students, in addition to ensuring a good student life and academic life at the campus for them.

For this, we provide our students assistance for emotional wellbeing. We give students 24X7 access to qualified counsellors, free of cost, with complete confidentiality and anonymity. It helps students resolve their stress, create healthy relationships, develop a more focused approach towards achieving their goal, build confidence, and develop the ability to deal with the pressure of all kinds.
ADMISSIONS
Courses Offered

**B.TECH**

*Computer Science Engineering*
Students can specialise in:

*Electrical and Electronics Engineering*
Students can specialise in:
Embedded Systems and IoT  Electrical Engineering  Electronics & Communications Engineering

*Mechanical Engineering*
Students can specialise in:
Automation & Robotics  Machine Design  Mechatronics  Automobile Engineering

*Civil Engineering*
Students can specialise in:
Structural Engineering  Construction Engineering  Urban Engineering  Environmental Engineering

**BBA**

Students can specialise in:
Banking and Finance  Supply Chain Management  Entrepreneurship

**B.DES**

Students can specialise in:
Product Design  Interaction Design  Interdisciplinary Design

*in collaboration with IBM*
M.TECH
Data Science  I  Automation & Robotics  I  Health, Safety and Environmental Engineering

MBA
Students can choose their electives from a variety of subjects, including:
Finance  I  Marketing  I  Human Resource  I  Operations Management  I  International Business  I
Information Technology  I  Logistics & Supply Chain Management*  I  Financial Analytics**  I  Digital
Marketing & Web Analytics

*Optional certification from Wharton School of the University of Pennsylvania, USA

PhD
Engineering  I  Management

* in collaboration with CII - Institute of Logistics
** in collaboration with Moody’s Analytics
Scholarships and Financial Aid

JKLU offers several scholarships and financial aid to students based on performance and need.

**MERIT SCHOLARSHIPS**
Scholarships from 25% to 100% of tuition fees are offered to meritorious students based on their Class XII examination scores, in the first year of undergraduate study.

Top 10% of the students who obtain a CGPA of 8.0 and above in a programme are awarded scholarships equivalent to 25% to 75% of the tuition fees in subsequent years.

**MERIT CUM MEANS SCHOLARSHIPS**
A limited number of merit-cum-means scholarships, equivalent to 25% of the tuition fees are awarded to students whose parental income is below Rs. 3 lakhs per annum and who obtain a CGPA of 7.0 and above.

**ON CAMPUS OPPORTUNITIES**
The university also offers opportunities for on-campus assistantships and part-time jobs to exceptional students.
Institute of Management

BBA
ELIGIBILITY : 10 + 2 (any stream)
Minimum 50% marks (45% for SC/ST candidates)
COURSE FEES* : Rs 48,600 per semester
[Additional course fees of Rs. 17,500 per semester will apply for specialisations]

MBA
ELIGIBILITY : 3-year undergraduate degree in any discipline
Minimum 50% marks (45% for SC/ST candidates)
QUALIFYING EXAM : CAT, XAT, GMAT, NMAT, MAT, ATMA, CMAT or JKLU-MET
COURSE FEES* : Rs 1,54,000 per half-year term
[This fee includes the Pinnacle Scholarship of Rs. 1,50,000 per annum]

Institute of Engineering & Technology

B.TECH
ELIGIBILITY : 10 + 2 with PCM
Minimum 50% marks (45% for SC/ST candidates)
QUALIFYING EXAM : Through JEE/AIEEE/JKLU-EET
COURSE FEES* : Rs 89,100 per semester
[Additional fee of Rs. 12,500 per semester will apply for specialisations]

M.TECH
ELIGIBILITY : Undergraduate Engineering degree
Minimum 50% marks (45% for SC/ST candidates)
QUALIFYING EXAM : GATE score preferred
COURSE FEES* : Rs 68,000 per semester
Institute of Design
B.DES

ELIGIBILITY : 10 + 2 (any stream)
Minimum 50% marks (45% for SC/ST candidates)

COURSE FEES* : Rs 64,000 per semester
[This fee includes the Pioneer Batch Scholarship of Rs. 50,000 per annum]

Hostel**

FEES* (per semester)
NON AC ROOM*** : Rs. 27,100
AC ROOM*** : Rs. 30,250

MESS ADVANCE : Rs. 24,000
(To be adjusted as per actuals)

Transport facility

FEES* (per semester) : Rs. 15,000
Applicable if the student wishes to avail the JKLU transport facility from Jaipur city to JKLU campus on specified routes

*Fees per half-yearly semester for students admitted in academic year 2019-20. Please check website or call for fee structure for next year. Additional fees may apply for certain specialisations.

**Hostel rooms are on twin sharing basis. Hostel Charges are subject to yearly revision.
***Utility charges of Rs. 950/- for regular room and Rs. 9,350/- for AC room extra.

Note: Refundable Caution Money of Rs. 10,000 and Hostel Security Deposit of Rs. 5,000 would be payable along with first year's fees.
OUR LEGACY

Our optimism for the future is guided by, and built on, the strong foundations of the past. The JK Organisation is one of India’s most respected nation builders and has a proud history of being committed to India’s potential for growth and progress for nearly 125 years. It has successful businesses across a range of industries, including JK Tyre, JK Paper, JK Lakshmi Cement, JK Agri Genetics and JK Fenner India. JKLU is a proud member of this heritage, as a philanthropic initiative of the Lakshmipat Singhania Education Foundation.
Led by its key architect, the Late Lala Lakshmipat Singhania (1910-1976), who was inspired and driven to create India’s intellectual capital, JK Organisation has been at the forefront of philanthropic initiatives in education and healthcare.

Late Harishankar Singhania (1933-2013) ably carried forward the legacy of inspiration and commitment to education, as President (Chairman) of the JK Organisation, as well as the Chancellor of JKLU.

The vision and mission of the founders continues to be the bedrock of the university’s ethos and its promise to play a significant role as a nation builder.
“At JKLU, we want to bring together best-practices from academia around the world and many innovations that I have seen to be successful in my experience of creating world-class institutions in India.”

Dr. Pramath Raj Sinha
Member, Board of Management, JKLU
Founding Dean, ISB Hyderabad; Founding Trustee, Ashoka University
“We are building a university where students are at the centre of everything we do. Our faculty and administration are continuously innovating and our academic facilities, curriculum, residences are rapidly evolving to help our students become successful in life.”
