

IMPORTANT NOTICE

March 14, 2020

Suspension of the Academic and Co-curricular activities as a preventive measure against COVID-19 till March 31, 2020

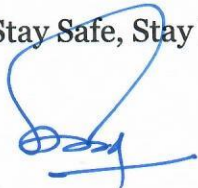

After a careful consideration of the various advisories issued in light of the spread of the COVID-19, the University has suspended all the Academic, Co-curricular and Extra-curricular activities as a part of preventive measures against the spread till March 31, 2020. These include classes, examinations, events, projects or any other activities which require the presence of students in the University campus. Resident students are advised to return their homes by March 17, 2020.

The current suspension will be valid till March 31, 2020. The University will be monitoring the situation. Further instructions on the start of academic activity and when the students have to report back to the University will be communicated through email and also the University website. Kindly keep checking the University email/s and website for the updates.

Further, duration of summer vacation might be impacted depending on the loss of working days on this account.

Kindly note that there has not been any case of COVID-19 in the campus and this is only a preventive measure. These are extraordinary circumstances across the globe affecting a large part of humanity. We understand the inconvenience caused to everyone but it is our collective responsibility to do everything to slowdown the spread of the virus.

Stay Safe, Stay Healthy!!!
